2024-2025

Essential Line

Budget-friendly – Functional – Minimalist

Designed for cost-effective projects. Basic materials, clean design, and practical construction for rental properties, renovations, or low-budget homes.

Prime Line

Mid-range – Elegant – Durable

A step up in design and quality. Includes soft-close hardware, upgraded finishes, and more refined detailing. Perfect for clients looking for long-term value.

Signature Line

Design-Focused – Tailor-Made – Premium Quality

Unique designs with high-grade engineered materials and hardware. Personalization, special textures, and modern features included.

Farmhouse Line

Customized Finishes – Rich Textures

This line focuses on finish variety – including solid color paint, transparent stains, or textured surfaces. A perfect match for personalized aesthetics.
